U.S. Patent and Trademark Office
Office of Initial Patent and Examination

Dear Valerie Kinard:

I spoke with you earlier this morning and you advised me to send in writing a change of address, as I was trying to do this over the phone but you informed me that I could not. My name is Marilyn and the address our (me & Steven Anderson & Valerie McNair's) filing status correspondence had been going to was in Marion IN to Valerie McNair. THAT INFORMATION HAS NOW CHANGED.
Please allow this letter to serve as documentation for the change of contact address to be sent to:

Marilyn Anderson **(h) 317.415.0145**
8121 Birchfield Drive
Indianapolis, IN 46268

I am also requesting the packet you sent out in April, as was indicated in this that there was an absence of claim or abstract? Please send this out to me via mail so that I may send in the required information and/or fees to keep our status active. Have a nice day.

Sincerely,

Marilyn Anderson
Filing # 10\684941
